

**HF2 - House DFL E-12 Education Priorities Bill**

<a href="#">HF0002 (Edelson - DFL)</a>			
	<b>FY20</b>	<b>FY21</b>	<b>FY 20-21 Total</b>
School-linked mental health services grants - to bring mental health clinics into the school during the school day to remove barriers of access and support students in need.	\$5.12 million	\$5.12 million	\$10.2 million
Support our students grants - for new student support services personnel in school districts, which include school counselors, school psychologists, school social workers, school nurses, or chemical dependency counselors. A grant is for six years. The first four years the state pays the full cost of the new employee. State support drops to 25% for the final two years of the grant. Then the school districts assume full funding of the position.	\$12.133 million		\$12.133 million
Full-service community schools grants - brings wrap-around services into the school to support the whole person such as job training and dental care for both at-risk students and their families.	\$15 million	\$15 million	\$30 million
Homework starts with home grant - to provide stable housing for students and their families through a partnership between the Heading Home Minnesota Funders Collaborative, the Minnesota Department of Education, Minnesota Housing, and the Minnesota Office to Prevent and End Homelessness.	\$4 million	\$4 million	\$8 million
Collaborative urban and greater Minnesota educators of color program grants - for Professional Educators Licensing and Standards Board (PELSB)-approved higher education institutions and alternative teacher preparations programs to provide tuition and support for teacher of color candidates.	\$6 million	\$6 million	\$12 million
Grow Your Own pathways to teacher licensure - for school districts to establish PELSB-approved nonconventional teacher preparation programs for paraprofessionals, other school employees, and community members. Six million dollars per year is targeted for teacher preparation programs for persons of color in districts with over 25% or 30% students of color. An additional \$500,000 is reserved for districts to implement an introduction to teaching course to encourage students in middle- or high-school to pursue a teaching degree after graduation.	\$8.5 million	\$8.5 million	\$17 million
<b>TOTAL</b>	<b>\$50.7 million</b>	<b>\$38.6 million</b>	<b>\$89.3 million</b>
