

Pandemic Enrollment Loss Support

Pandemic Enrollment Loss Support Aid will provide \$29.191 million in additional declining enrollment revenue for districts and charter schools to account for lost revenue due to enrollment losses for the 2020-2021 school year. These funds come from the flexible State Fiscal Stabilization funds in the American Rescue Plan, and are separate from Elementary and Secondary School Emergency Relief (ESSER) funds. The funding will support services for students that may have been foregone last year due to the budget losses. Funds may be used to support new, expanded, or enhanced early learning services, and evidenced-based practices addressing learning loss and academic or student mental health needs, including professional development and training for staff to implement these strategies.

The funds for this program are available for State Fiscal Year (SFY) 2022 expenditures. Unused funds may be carried forward into SFY 2023. The application will be available on State Educational Record View and Submission (SERVS) later this month.

The allocation for this program is based on the declining enrollment pupil units for each school district and charter school between Fiscal Year (FY) 2020 and FY 2021. This is roughly equivalent to 16% of the general education basic formula allowance or \$1,077 per declining enrollment pupil. The allocation shown below is based on preliminary year-end student data. Initial funding based on these preliminary allocations will be at 80% of the total. The remaining funds will be released in January 2022 once allocations are finalized based on actual student data.
