Schools for Equity in Education (SEE) works to ensure that all public-school children have equal access to a high-quality education regardless of where they live in Minnesota. Our success does not depend on geography. Success depends on school districts with similar characteristics and their communities joining together to shape Minnesota politicians' education finance and policy decisions.

Working together, we will make a difference!

About SEE Districts

- SEE is a coalition of 54 Minnesota school districts. SEE districts serve approximately 230,000 children, approximately one-third of Minnesota's K-12 students.
- Two common characteristics bring SEE districts together:
 - * The student demographics in SEE school districts do not generate significant categorical aid or other funding from the state. Thus, SEE districts tend to receive the minimum in state funding.
 - * SEE districts tend to be lower-property wealth districts where the taxpayer cost for a school levy dollar is high. This makes it more expensive for taxpayers and challenging to pass voter-approved levies to make up for inadequate state funding.
- SEE districts range in size from less than 1,000 pupils to over 37,000. SEE districts are located across the state, including suburban and Greater Minnesota school districts.

Advantages of SEE Membership

A constant presence at the Minnesota Capitol lobbying on issues that impact your district.

- Speaking with one voice on shared issues enhances the ability to influence state funding and policy.
- SEE districts retain high-caliber, experienced lobbyists by leveraging their buying power with other districts.
- SEE lobbyists have a deep understanding of the legislative process and expertise in education funding and policy.

Understandable data and resources to support communication on the issues that impact SEE districts.

- SEE's staff can make complex issues understandable. For example, SEE's Capitol Pizza video simplified the issue of equity without having to understand the complexities of school finance.
- SEE maintains an excellent website with information specific to individual SEE districts to assist communications with your community and legislators. MinnPost declared that the SEE website was the go-to place for education funding information that, ". . . is home to an impressive collection of documents that might well be titled, "School Finance for Dummies.""
- See provides timely and accurate information through weekly legislative updates, daily blogs, and action alerts during the legislative session and continued research throughout the year.

“The quality of a child’s education should not depend on their zipcode.”

A SEE day at the Capitol brings community members together with their legislators.

More Advantages of SEE Membership

Professional development and networking at SEE meetings and events

- Excellent programming at **SEE general membership** meetings connects administrators and board members with educational experts and political insiders to discuss timely and relevant issues. CEUs are available. The meetings are held in Roseville. Previous program speakers included:
 - Key legislators, including House and Senate leadership and E-12 committee chairs, discussing their legislative priorities.
 - Dr. Bill Morris, one of Minnesota’s leading analysts of public opinion and political trends, sharing Minnesotan’s perspective on education and other issues.
 - A legislative session wrap-up from the Minnesota Department of Education, days after the end of the legislative session.
 - Dr. Clayton Cook, an expert on social-emotional learning from the University of Minnesota, communicating his research.
- Approximately seventy SEE members attend each of the six **general membership meetings**, providing excellent networking opportunities with colleagues that share similar interests and challenges.
- Additionally, at **SEE’s three annual regional meetings**, SEE staff meets directly with members in small group settings around the state to provide current information in a format that promotes questions and a free exchange of ideas.
- At SEE’s meetings and events, members become better informed and prepared to address funding and equity issues with their communities and legislators.

A community outreach liaison who educates and engages a growing network of education advocates including parents, community members, and business leaders within SEE districts and stands ready to support community engagement in your district.

- The liaison organizes and hosts highly-effective “SEE Days at the Capitol”, bringing community members and their legislators together with direct liaison support to discuss K-12 issues specific to their districts.
- The liaison is ready to travel to SEE districts to share a powerful, yet easy to understand, presentation for community members, school boards or staff that explains how schools are funded, why they continue to struggle financially and what can be done to help.
